# WELCOME BACK

Good afternoon. On behalf of everyone at Bolton Wanderers Football Club may I welcome all supporters back to Burnden Park at the start of another new season. It seems like only yesterday when we were celebrating those wonderful scenes at Wrexham, marking our return to the Third Division.

Today's opponents, our local rivals Bury, are sure to make this a very interesting first match in the Lancashire Manx Challenge Cup. They have an excellent overall record in the competition, reaching the finals three times, winning in 1982 (2-1 v Blackburn)

and 1986 (1-0 v Wigan). Unfortunately from our point of view, we have yet to reach the final, but there's no time like the present to put that right.

The Lancashire Manx Cup is now in its seventh season, since being re-introduced back in 1982, and has undoubtedly survived due to the generous sponsorship of the Isle of Man Tourist Board. During this time it has proved to be a most popular warm-up competition with players and fans alike.

## WELCOME TO BURY

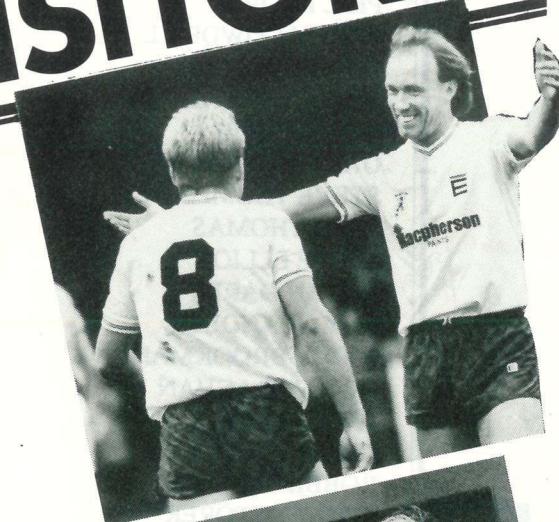

The Wanderers will be looking to avenge the defeat we suffered at Gigg Lane back in January in the Sherpa Van Trophy, when an Alan Taylor strike put us out of that competition.

Bury's season last year was probably summed up as inconsistent, a fine run in The Littlewoods Cup, beating Sheffield United and Q.P.R. before going down fighting at Old Trafford, was in contrast with a First Round Defeat against Scunthorpe in the F.A. Cup.

In the League, Bury had high hopes of making the play-off places until their form dipped after Christmas, but they still finished in their strongest League position for ten years.

The Shakers have recently resigned, popular midfield star Sammy Macllroy from Austrian side, Daf Moling. His experiance along with centre back pairings Kenny Clements and Mark Higgins along with the exciting potential of the likes of David Lee and Liam Robinson, should put the shakers in for a very good season.

Old boy Simon Farnworth will need no multivating against his former team-mates, since forcing his way into the team, Simon has made the position his own, forcing the Northern Ireland International Phil Hughes to move to Wigan Athletic for regular First team football.
